McLaren M-20

1973-

Porsche 917/30
Shadow Mk. IV

1974-***GAME OVER***

Obviously there are cars missing (McKee Olds – '68 I think ...) and some others that ran in Can Am races (Ford GT, Porsche 906) but weren't really Can Am cars as we like to think of them. If you have some adds or questions, let me know!!
